SJSD families,

The St. Joseph School District will continue distributing meals to SJSD students through June 26 as part of the Seamless Summer program.

The schedule for meal distribution will follow the same format shared during the school closure, with one exception. Central High School will not be included as a distribution site. Here is the updated schedule:

What: SJSD Seamless Summer Meal Distribution

When: Every Monday, Wednesday & Friday through June 26, 2020

(**No distribution on Memorial Day - Monday, May 25**)

Time: 8:00 a.m. - 10:30 a.m.

Locations: Benton High School, Lafayette High School, Coleman Elementary School, Carden Park Elementary School

As a reminder, this is a drive-through distribution. Families should not exit their vehicles when they arrive to pick up meals. Should a family have issues with illness or mobility, please contact our district office at 816-671-4000 to ask about other arrangements.
